## 2 ADVERTISE

- Watch our explainer video in class
- Announce the walk over the intercom
- Share information with parents.

## 3 FUNDRAISE

Students will be given pledge forms. Encourage them to ask their family, friends, and friendly neighbours to sponsor them for the walk.

## 4 WALK AS A SCHOOL

Choose a time on the walk day when every class can go for a walk or run around the school property

## 5 OFFER A PRIZE

The classroom that raises the most money should be given recognition. We'll leave that up to you, but some ideas could be a pizza party, award ribbons, or even a special announcement.
